Reaching for the Stars

Reaching for the Stars

This tour is designed to give the players an opportunity to experience & encounter all forms of obstacles & challenges incurred on a daily basis similar to the challenges of the professional.

The program set in the early stages of the tour prepares the players for the different climatic conditions, playing surfaces & matches in England against a variety of opposition varying from top English Academy teams to local rep school teams.

In England our main base will be situated in Sheffield as it is central and close to Birmingham, Bolton Blackburn, Liverpool & Manchester. Matches will be played in this area, majority of the training will be in the Sheffield United & Sheffield Wednesday's Academies. The tours climax is the observation of top professional teams training & playing in England. The excitement of souvenir shopping in the mega supporters stores before attending the matches is most memorable and then to experience the electric atmosphere & passion of the game.

Finally the tour will spend the last days in London with the Charlton Athletic F C Academy & a Tour of London, before it departs back home.

The players are accommodated in 3 & 4 star hotels. Accommodation in Sheffield, the group stayed in 'The Premier Lodge' 3 star .in London 'The Travel Lodge 3 star and 4 Star Marriott. The accommodation can vary from year to year depending on availability. The meals Breakfast & Dinner is inclusive.
